ARTE
LAMP

ARTE Lamp is an Italian brand with a rich 30–year-old history. We try to keep up with the times and follow modern trends.

ARTE Lamp is the impersonation of an assortment's variety and Italian quality, trends and tendency. Strict laconic lines, trendy colors, modern models are the personification of **ARTE Lamp.**

ARTE Lamp History

collection

The illustrations in the catalog were created by the tools of the **#Midjourney**

Midjourney — is an independent research laboratory that studies new ways of thinking and expands the creative abilities of mankind

- unique technology of self-charging solar panel during work increases the lamp work to 20% to regualr solar panels
- remote control, installation bracket and all necessary accesories incl
- high ingress protection level: IP68 for the panel and IP65 for the battery space
- 4 optional work modes, applicable to different places/ weathers
- automatic start working within darkness
- automatic high-light at movement detection within 8-10 m for 15 sec
- automatic low-light (10% of high-power) at no movement
- batteries long span life: over 1000 of charge-discharge cycles
- full charged operating time: 8 hours
- charging time depends on illuminance (about 5-6 hours minimum)
- high-quality UV-high-resistant ABS-material housing

The Company reserves the right to typos, errors and corrections of technical information.

The manufacturer has the right, without prior notice, to make changes to the product that do not worsen its technical characteristics, but are the result of work to improve its design or production technology.
The appearance of the goods may differ from the photographic materials presented in the catalog due to the peculiarities of printing and color perception by the human eye, and may also vary slightly from batch to batch.
